Illustrations by: Vikram Nayak

This booklet presents a compilation of some of the illustrations used by CBGA in its publications over the last decade. The illustrations are by Vikram Nayak, a Delhi-based artist, illustrator, cartoonist and film maker. He can be reached at *vikramknayak@gmail.com*.

We at CBGA believe that images convey some of the messages more powerfully than numbers. These illustrations are a result of collaborative efforts of CBGA team and Vikram; he has successfully translated the stories and ideas shared by the researchers in CBGA into powerful illustrations. We would continue to strive to make our publications more accessible and interesting for a wide audience.
